

Valentine's Day 1st Grade Celebration

We will be having our Valentine's Day Friendship celebration on Thursday, Feb. 11. This day is extra special because it is also the 100th day of school. In the morning we will be doing some 100th day of school activities and the afternoon will be filled with Valentine treats, card exchanges and a few craft activities. If parents would like come by to help out you can come around 12:30.

Also, if you want to send in a Valentine treat to share, it would be welcomed, please just let me know ahead of time so we do not end up with 20 different types of cookies! (Healthier snack ideas are encouraged!)

On the back I have included a class list of first names for giving Valentines. If students choose to do this, please remember they must bring one in for every student! Also, if they are prepared before the 11th students can bring them in starting Monday, Feb. 8th and put them in our decorated bags!

Thanks!

Ms. Emerson
