Sno-Isle Tech Skills Center

Sno-Isle Technical, located near Paine Field in Everett, is a cooperative effort of 14 local school districts. The purpose of each program is to provide students with skills that will prepare students for entry-level jobs after graduation from high school or for related post high school education or training. This program is offered to eligible students in grades 11 and 12.

Running Start

This program offers eligible students in grades 11 and 12 the opportunity to take community college courses (tuition-free) while completing high school. Kamiak has over 300 students participating in Running Start.

College in the High School

A cooperative program between the Mukilteo School District and community college/universities. It allows sophomore, junior and senior students in college approved courses to earn high school and college credit simultaneously without ever having to leave the high school campus. The high school grade is recorded on the high school transcript
