Library Schedule

Hwang has library on Mondays

Ingle will have library next Tuesday instead of Thursdays

Please note: Specialist Schedules Change Weekly

Ingle's Specialist Schedule

Monday	PE
Tuesday	Fitness
Wednesday	Music
Thursday	PE
Friday	Fitness

Hwang's Specialist Schedule

Monday	Fitness
Tuesday	Music
Wednesday	PE
Thursday	Fitness
Friday	Music

★★★★★★★★

Dear Families,

Next Thursday students will be having a Valentine's Day party in their homeroom class. We hope the students are enjoying making their Valentine boxes. We asked that each student make or buy a Valentine for each student in their homeroom class. Please let us know if you have any questions or concerns.

Have a great weekend,

Miss Hwang and Mrs. Ingle

Learning Targets & Activities for the Week

- **The 7 Habits:** Think Win-Win: Everyone can win!
- **Reading:**
 - ✓ Students are reading AR books of their choice; as well as, tracking their own monthly AR progress. Students are required to earn 30 points and receive a **passing score of 80%** on their AR tests for at least 6 nonfiction books at BL 3.0 or higher and 3 fiction books at BL 4.0 or higher each trimester. Trimester 2 includes the months of December, January, and February. **Many students are behind in their independent reading for Dec. and Jan. and need to make this up during Feb. Please check in with your child on this. Students should be reading at home every night for at least 30 minutes.**
 - ✓ Miss Hwang's class has started reading "Shiloh" by Phyllis Reynolds Naylor, and Mrs. Ingle's class will start reading "Streams to the River, River to the Sea: A Novel or Sacagawea" by Scott O'Dell next week.
- **Writing:**
 - ✓ Students started typing their animal reports in PowerPoint. This week, students worked on and should have completed the following slides: the title page, introduction, physical characteristics, environment/shelter, and a map. Next, week students will complete the following slides: food, behavior, family life, protection, and conclusion. Students also need to cite their sources in their biography as they use them. Ask your child to show you their PowerPoint online to check in with them to see if they are keeping up. Students can work on this at home and at school.
- **Math:**
 - ✓ Students should be practicing their math facts, daily, for 15 minutes. Please check in with your child about the progress he/she is making on her facts. By the end of trimester 2, students should be moving on from their basic addition and subtraction facts onto multiplication and division. Miss Hwang's homeroom has fact testing every Monday and Mrs. Ingle's class tests on Thursdays each week.
 - ✓ Students continued their work with decimals. They will have a posttest next week on Wednesday.
- **Social Studies:**
 - ✓ Students are working in groups making Washington State Maps.
- **Science: Human Body:**
 - ✓ **Looking at thumb joints:** Students investigated their thumb joints and tried to accomplish daily task without the use of their thumbs.
 - ✓ **Doing joint tasks:** Students performed 8 different tasks with their hand joints immobilized.
