Dear Families,

We will be going on a fieldtrip to the MOHI (Museum of History and Industry in Seattle next Tuesday, March 29, 2016. Remember to pack your child a lunch (in a deposable lunch sack) if you didn't preorder one from the cafeteria. Please be sure your child wears a warm coat the day of our trip, as we sometimes have to eat outside during the MOHI fieldtrip.

The Scholastic Book Fair is next week. Please look for the flyer that was sent home with your student for Book Fair times. Both classes will browse the library this Monday, March 28. Miss Hwang's class will be able to purchase items from the Book Fair on Tuesday and Mrs. Ingle's class will purchase on Thursday.

Best regards,

Miss Hwang and Mrs. Ingle

## Learning Targets & Activities for the Week

**The 7 Habits:** We celebrated our leaders with Leadership Day today. The 4<sup>th</sup> graders sang "Count on Me" during the assembly.

### Reading:

- Students are reading AR books of their choice; as well as, tracking their own monthly AR progress. Students are required to earn 30 points and receive a **passing score of 80%** on their AR tests for at least 6 nonfiction books at BL 3.0 or higher and 3 fiction books at BL 4.0 or higher each trimester. Trimester 3 includes the months of March, April, and May. **Happy Reading!**
- Miss Hwang's class is reading "Shiloh" by Phyllis Reynolds Naylor, and Mrs. Ingle's class is reading "Streams to the River, River to the Sea: A Novel or Sacagawea" by Scott O'Dell. Both classes are collecting information about the characters, setting, problem and main events.

### Math:

- Students should be practicing their math facts, daily, for 15 minutes. Please check in with your child about the progress he/she is making on her facts. It is the goal for all students to complete all math facts by June.
- Students began a new unit on multiplying fractions. Please review this concept with your child. Next week, we will finish our short unit and have a posttest before moving onto division with whole numbers, decimals, and fractions.

### Social Studies:

- Geological Features of Washington
- We learned about The Port of Everett and looked at many products around the school to find out where they came from.

### Science:

- Our next Foss Science Kit will be on Electricity and Magnetism. We are still awaiting our kit to arrive.
- PUD will be here again next week teaching about Circuit Systems.
