*Hwang has library on Mondays*

*Ingle has library on Thursdays*

*Please note: Specialist Schedules  
Change Weekly*

### Ingle's Specialist Schedule for after the Break

Monday	PE
Tuesday	Fitness
Wednesday	Music
Thursday	PE
Friday	Fitness

### Hwang's Specialist Schedule after the Break

Monday	Fitness
Tuesday	Music
Wednesday	PE
Thursday	Fitness
Friday	Music

★★★★★★★

Dear Families,

You are all invited to attend our annual Summit Expo, next Thursday, March 10th at 7:00 p.m. in the gym. Your child will be displaying his/her work at this event. It will be a great opportunity for your child to showcase his/her work. Please let us know if you have any questions.

Best regards,

Miss Hwang and Mrs. Ingle

## Learning Targets & Activities for the Week

- **The 7 Habits:** Synergize. Together is better.
- **Reading:**
  - ✓ Students are reading AR books of their choice; as well as, tracking their own monthly AR progress. Students are required to earn 30 points and receive a **passing score of 80%** on their AR tests for at least 6 nonfiction books at BL 3.0 or higher and 3 fiction books at BL 4.0 or higher each trimester. Trimester 3 includes the months of March, April, and May. **Happy Reading!**
  - ✓ Miss Hwang's class is reading "Shiloh" by Phyllis Reynolds Naylor, and Mrs. Ingle's class is reading "Streams to the River, River to the Sea: A Novel or Sacagawea" by Scott O'Dell. Both classes are collecting information about the characters, setting, problem and main events.
- **Writing:**
  - ✓ Students completed their animal reports. They began sharing them with the class. Students will be presenting their reports during the next two weeks.
  - ✓ During 3<sup>rd</sup> trimester, students will begin writing narratives using resource texts as evidence to support their writing. They will also be learning persuasive writing.
- **Math:**
  - ✓ Students should be practicing their math facts, daily, for 15 minutes. Please check in with your child about the progress he/she is making on her facts. By the end of trimester 2, students should be moving on from their basic addition and subtraction facts onto multiplication and division. Miss Hwang's homeroom has fact testing every Monday and Mrs. Ingle's class tests on Thursdays each week.
  - ✓ Students are designing their animal houses. For homework next week they will be working on decorating their animal houses. Over the weekend please have students gather the materials that they will need to decorate their animal house if they have time. Also have your student start thinking about/how they are going to decorate their houses. They can even draw out a design plan if they want.
  - ✓ We are also working on multi-digit multiplication; as well as, multiplying with decimals.
- **Social Studies:**
  - ✓ Students are working in groups making Washington State Maps.
- **Science: Human Body:**
  - ✓ We finished our Human Body Unit. Students received their human body unit tests back and are to get their parent's signature or initials on the test, and bring them back to class to put in their Leader Notebooks.
  - ✓ Our next Foss Science Kit will be on Electricity and Magnetism. PUD has been here teaching lessons on simple circuits, series circuits, and parallel circuits. These concepts will also be reviewed in our next science unit.
