<i>Monday</i>	<i>Music</i>
<i>Tuesday</i>	<i>PE</i>
<i>Wednesday</i>	<i>Fitness</i>
<i>Thursday</i>	<i>Music</i>
<i>Friday</i>	<i>PE</i>

Hwang's Specialist Schedule

<i>Monday</i>	<i>PE</i>
<i>Tuesday</i>	<i>Fitness</i>
<i>Wednesday</i>	<i>Music</i>
<i>Thursday</i>	<i>PE</i>
<i>Friday</i>	<i>Fitness</i>

Dear Families,

We enjoyed seeing your families during student led conferences. The students were very excited to share their leader notebooks with you. We are very proud of all the hard work and progress they have had so far this year. Please let us know if you have any questions or concerns.

Have a great weekend!

Miss Hwang and Mrs. Ingle

Learning Targets & Activities for the Week

- **The 7 Habits:** Habit #6: Synergize: I value other people's strengths and learn from them. I get along well with others, even people who are different from me. I work well in groups. I seek out other people's ideas to solve problems, because I know that by teaming with others, we can create better solutions than any one of us alone.
- **Reading**
 - ✓ Students are reading AR books of their choice; as well as, tracking their monthly AR progress. Did your student meet their October reading goals? Ask them or have them show you their [AR record online](#).
 - ✓ Students are required to read at least 2 nonfiction books and at least one fiction book a month; as well as, earn 10 AR points a month.
 - ✓ Mrs. Ingle's class is studying *Shiloh* by Phyllis Reynolds Naylor, and Miss Hwang's class is reading *Aurora of the Yukon: A Girl's Adventure in the Klondike Gold Rush* by Keith Halliday.
- **Writing:**
 - ✓ Students worked on grammar this week, focusing on pronouns and pronoun-verb agreement.
- **Math**
 - ✓ Please remind your child to finish their fraction vocabulary glossary if they have not done so yet. We will be using these next week.
 - ✓ Students will be taking math fact oral tests beginning next week. Please make sure that your child is practicing at least 15 minutes each night. They can use their flashcards, make up their own tests, or find apps and websites that allow them the same kind of practice.
- **Science – Water Unit**
 - ✓ Students worked on their scientific notebooks and made sure they were all caught up on all of their labs.
 - ✓ **Science Docents:** Our science docents Dr. Gill and Mrs. Closson did beautiful leaf rubbings with the students and taught them how to write Cinquain Poetry.
