Wednesday	PE
Thursday	Fitness
Friday	Music

Dear Families,

We enjoyed seeing so many of you last night during Curriculum Night. We e-mailed you our Curriculum Night PowerPoint Presentation for your reference. Please let us know if you have any questions about anything we covered.

The Annual Summit Student Contract was sent home today and can be found in the Take Home Folder located in your student's binder. Please take time to review, discuss, and sign this contract with your student. We would like to have all the contracts returned by next Monday, September 28.

FUND Run packets were sent home last week. Thank you for already sending in donations. **All** students need a signed Fund Run Permission Slip in order to participate in the Fund Run on Friday, Oct.16. If you need another permission slip, please let us know. You can also donate online using Pay Pal or your credit card, just click on the following link: [Fund Run Online Donations and Permission Slip Form](#)

We will be going on a fieldtrip to the Corn Maze on Tuesday, October 6. Permission slips and more information will be sent home next Monday.

If you have not received the class newsletters from us via e-mail, that means we do not have your e-mail. Please send us your e-mail if you would like to receive correspondence regarding our class.

Have a great weekend!

Learning Targets & Activities for the Week

- **The 7 Habits:** We achieve or dreams by setting goals, working hard, and being dedicated.
- **Reading**
 - ✓ Students are reading AR books of their choice; as well as, tracking their monthly AR progress.
 - ✓ Students are required to read at least 2 nonfiction books and at least one fiction book a month; as well as, earn 10 AR points a month.
- **Math**
 - ✓ Students reviewed place value this week and modeled their thinking using a place value drawing.
 - ✓ Students have completed beginning of the year assessments. Next week they will finish their oral fact fluency pre-assessment.
- **Writing**
 - ✓ Students continued generating ideas for personal narrative writing. They will draft their first narrative next week.
- **Science – Water Foss Science Kit**
 - ✓ **Looking at Water Investigation** Students observed the properties of water, and compared how water interacts with 4 materials: paper, paper towel, wax paper, and aluminum foil. Students learned that water has observable properties including transparency, shapelessness, and movement or flow. In addition they learned that water beads up on some materials and is absorbed
