Library Schedule

Hwang library Mondays

Ingle library Thursdays

Please note: Specialist Schedules Change Weekly

Ingle's Specialist Schedule

Monday	PE
Tuesday	Fitness
Wednesday	Music
Thursday	PE
Friday	Fitness

Hwang's Specialist Schedule

Monday	Fitness
Tuesday	Music
Wednesday	PE
Thursday	Fitness
Friday	PE

Dear Families,

On Tuesday, October 6, we will be going to the Washington State Corn Maze in Snohomish. Please be sure to sign and return all permission slips forms with your \$12.00 check or cash by next Wednesday. Sept. 30 Checks should be made out to Mukilteo Elementary. We welcome chaperones.

Thanks to all of those who have already supported our "These Colors Will Run" PTSA Fund Run, which is the primary fundraiser for the year. Proceeds go to fund enrichment fieldtrips, gives scholarships for fieldtrips, gives teacher grants, helps the library fund AR, helps the music programs & PE departments, helps bring art into our classrooms, etc. It helps all students. We really appreciate your support. If you need another permission slip, please let us know. You can also donate online using Pay Pal or your credit card, just click on the following link: [Fund Run Online Donations and Permission Slip Form](#)

Next week, we will be making apple crisp with the apples the students bring in. Please e-mail Mrs. Ingle if you can send in one of the following with your student: flour, sugar, brown sugar, butter, oatmeal, cinnamon or nutmeg. Mrs. Ingle will supply the ice cream. Thanks for your help!

Have a great weekend!

Learning Targets & Activities for the Week

- **The 7 Habits:** Be Proactive: I choose my actions, attitudes, and moods. I do the right thing without being asked, even when no one is looking.
- **Reading**
 - ✓ Students are reading AR books of their choice; as well as, tracking their monthly AR progress.
 - ✓ Students are required to read at least 2 nonfiction books and at least one fiction book a month; as well as, earn 10 AR points a month.
 - ✓ We started our CIA Units. Mrs. Ingle's class is studying the book *Shiloh* by Phyllis Reynolds Naylor, and Miss Hwang's class started *Aurore of the Yukon: A Girl's Adventure in the Klondike Gold Rush* by Keith Halliday.
- **Math**
 - ✓ Students reviewed place value this week and modeled their thinking using a place value drawing.
 - ✓ Students have completed beginning of the year assessments. Next week they will finish their oral fact fluency pre-assessment.
- **Writing**
 - ✓ Students continued generating ideas for personal narrative writing. They will draft their first narrative next week.
- **Science – Water Foss Science Kit**
 - ✓ **Surface Tension** Students were introduced to surfaced tension, and discovered how many drops of water they could place on a penny before spilling off. They then changed the water's surface tension by separately adding soap and rock salt to the dome of water on a penny. They learned that surface tension is the skinlike surface of water that pulls it together into the smallest possible volume, and that soap and other substances breaks the surface tension.
