4th Grade Summit Newsletter

Teachers: Mrs. Ingle & Miss Hwang

September 4, 2015

Dear Families,

Welcome back for another exciting school year. We are honored to be your child's teachers. It was nice meeting many of you during "Meet the Teacher Day." We have also been enjoying getting to know our students.

In Summit, we strive to provide meaningful learning experiences that are aligned with The National Common Core and enrich district curriculum. Your student will have many opportunities to use hands-on activities, cooperative learning, and be involved in rigorous developmentally-appropriate tasks as well. We also incorporate the "The Leader in Me: 7 Habits of Highly Effective Kids Program to help students find the leader in themselves.

The first few weeks of school are very important. We have been establishing class routines, procedures, and expectations. We are also working together to build a positive and caring community of learners, who not only share, but also encourage and celebrate each other's accomplishments and talents.

We hope this weekly newsletter will be an efficient way to keep you informed of what your student is learning at school, and helps you to support your student. Please feel free to contact us anytime with questions or concerns. We welcome your input. You can reach us best by e-mail:

ingleal@mukilteo.wednet.edu and hwangmy@mukilteo.wednet.edu

Please join us on Thursday, September 17 for Curriculum Night. There will be a 6:00-6:15 p.m. *Welcome Presentation* in the **GYM**. Then you can attend either of the following sessions: 6:20-6:55 p.m. for the 1st classroom presentation, or 7:00-7:35 2nd classroom presentation in **ROOM 109**.

Have a great Labor Day Weekend!

Learning Targets & Activities for the Week

- **The 7 Habits:** Foundation- the journey to leadership starts through the 7 Habits. You need to have a strong foundation first. Each time you learn a habit, you will go farther on your journey of becoming a leader.
- **Reading:**
 - ✓ Students are reading AR books of their choice; as well as, tracking their own monthly AR progress. **I didn't talk about this with my class. Do we need to put this in?**
 - ✓ Students will take a STAR Reading assessment next week.
- **Writing:**
 - ✓ Students wrote two pieces: the first day of school and the meaning of leadership.
- **Math:**
 - ✓ Students took a beginning of the year assessment of 4th grade math skills and math facts pretests for addition, subtraction, multiplication, & division.
 - ✓ Students will take a beginning of the year assessment oo 5th grade math skills next week.
- **Science – Water Foss Science Kit**
 - ✓ We began learning about the Water Cycle
