

Welcome to Olympic View Middle School!

My name is Jamie Wright, and I am OV's parent liaison. My job is to connect parents to school, whether it is answering questions, helping you find volunteer opportunities (non-COVID years), or just directing you to the right people. I am here to help you, so please get in touch with me. You can find me in the Olympic View main office, and I am there Monday-Thursday mornings from 7:00am-11:00am. (I also work as the library clerk in the afternoons.) My phone number is (425) 366-5213, and my email is: [WrightJL@mukilteo.wednet.edu](mailto:WrightJL@mukilteo.wednet.edu). (Email is best way to contact me as I am working from home most days during COVID.)

Every Monday, a weekly newsletter is emailed and texted to our families giving you more information about activities that are happening at our school. You are automatically signed up for these emails based on the email address that you have on file in Qmlativ.

I would encourage you to create parent accounts and log in to both Qmlativ Family Access and Schoology. Contact me if you need help setting up your account (will need temporary password for Qmlativ and parent access code for Schoology). These are very important tools for parents to stay connected with students' grades, assignments and attendance.

- Qmlativ Family Access is the official grade reporting system and attendance program.
- Schoology is the daily software used by our district during distance learning to assign and post assignments or other important announcements.

We value parent support at Olympic View. Studies show that students do better in school when parents are engaged and involved. We hope that your child's years here at OV are a positive experience. I look forward to working with you. Our OV staff is happy to have you and your child here!

Sincerely,

*Jamie Wright*

OV Parent Liaison & Library Clerk
