

PERFORMANCE REPORT: 2017-18

OLYMPIC VIEW MIDDLE SCHOOL

At Olympic View, we offer students a strong academic program, a variety of sports and co-curricular activities, and an extensive student recognition program. We hold high expectations for our students and emphasize a safe school environment. A full range of academics is offered, including honors classes and literacy block classes that are designed to meet each student's individual needs. We encourage and provide students with opportunities for community service, peer tutoring, and mentorship activities. In addition, we have a Where Everybody Belongs (WEB) program that assists in mentoring transitioning 6th grade students. We hold many evening events for our parents and community members to attend. During these events, we provide interpreters for our English Language Learner families, as requested. The topics we choose for these events are based on parent input. We have a parent liaison who assists in keeping parents connected to their child's school and informs parents regarding upcoming events and volunteer opportunities. We

communicate with all parents via our school newsletter, email, and our listserv phone calling program.

ABOUT OUR SCHOOL

Olympic View was built in the mid-1950s and underwent an extensive remodel in 1994. A new gymnasium, music rooms, and classroom wing were opened in the fall of 2017, enclosing our campus around a central courtyard. We have 45 regular classrooms, library, multi-purpose room, stage, gymnasium, auxiliary gym, cardio room, and a STEM education lab. Outdoor facilities, which are used extensively by the community, include a softball complex, track, football, and soccer fields.

VOLUNTEERING

We appreciate the wonderful support from our parents and encourage parents wanting to volunteer to contact our main office. Parents typically assist in our main office, the school store, in classrooms, and with our annual magazine drive. If

you are interested in volunteering, please notify our parent liaison, Jamie Wright, or our office manager, Lynn Bronson. The Watch DOGS (Dads of Great Students) program has taken hold at Olympic View. This program encourages dads, grandparents, and other male relatives of our students to volunteer and spend time in our school. In addition, if you have suggestions for volunteering in other areas, we encourage you to communicate this as well.

AT HOME

Parent involvement is significant to any child's performance at school. Parents can help by having a designated area and time for homework and by encouraging their child to read for fun and enjoyment. Make sure your child has good nutrition and enough sleep, and let your child know that you believe he or she can be a successful learner. Always feel free to contact the school with any concerns as they arise. If you are interested in parent-teacher conferences with your child's teachers, please contact our counseling staff. Our counselors serve a specific class for all three years of middle school. For the 2018-19 school year,

Adjunto se encuentra un documento que contiene información importante de la escuela de su hijo. Por favor solicite que le traduzcan esta información tan pronto como sea posible. Muchas gracias.

Прилагаемый документ содержит важную информацию из школы вашего ребенка. Пожалуйста, попросите перевести вам эту информацию как можно скорее. Спасибо.

첨부된 자료는 자녀의 학교에서 전달해 드리는 중요한 정보를 포함하고 있습니다. 본 정보를 가능한 한 빨리 읽어 주시기 바라며, 학부모를 위해 내용이 번역되어 있음을 알려드립니다. 감사합니다.

Kèm theo đây là giấy tờ bao gồm các chi tiết quan trọng về nhà trường của con em quý vị. Xin đưa những chi tiết này cho người nào đó có thể giải thích cho quý vị hiểu càng sớm càng tốt. Cảm ơn.

Wendy Smith will serve our 6th grade students, Teresa Hoffman will serve our 7th grade students, and Lisa Morris will serve our 8th grade students. We will work together as a team to ensure your child's success.

OUR IMPROVEMENT PLAN

Our curriculum is aligned with the Common Core State Standards and Next Generation Science Standards in reading, writing, mathematics, and science. Our

Mukilteo
School District

**Committed to Success
for Every Student**

Mukilteo School District complies with federal and state rules and regulations and does not discriminate in any programs or activities on the basis of sex, race, creed, religion, color, national origin, age, veteran or military status, sexual orientation, gender expression or identity, disability, or the use of a trained dog guide or service animal and provides equal access to the Boy Scouts and other designated youth groups. The following individuals have been designated to handle questions or complaints of alleged discrimination: Title IX Officer: Bruce Hobert (425-356-1319), Section 504 Coordinator: Lisa Pitsch (425-356-1277), and the ADA/ Access Coordinator: Karen Mooseker (425-356-1330). All located at 9401 Sharon Drive in Everett, WA 98204. Inquiries regarding ADA/Access issues at Sno-Isle TECH Skills Center should be directed to Maggie Bagwell, Director (425-348-2220) at 9001 Airport Road in Everett, WA 98204.

staff members provide students with specific criteria that they can use to articulate how they can meet and/or exceed these standards. We provide our students with the materials and assessment experiences to meet state standards. We have developed common outcomes for each student at every grade level. We have improved communication and collaboration among students, staff, and community to increase student achievement. We purposefully teach thinking skills and thinking behaviors to our students.

As we continually focus on providing a safe, caring environment, our school focuses on The Pirate Code:

- ◆ Be Safe
- ◆ Be Respectful
- ◆ Be Responsible

At Olympic View, we don't just focus on the academic rigor. We also teach our students to be great people. In our class community meetings, we explicitly teach the character traits of patience, kindness, honesty, respect, selflessness, forgiveness, humility, and commitment. We also recognize students for doing great things in and out of the classroom with positive referrals, Pirate Pride cards, and our tradition of awarding students our four SHIP Awards for workmanship, scholarship, leadership, and citizenship.

OUR SCHOOL MISSION

Our mission is dedicated to learning. This includes student and staff learning. Our staff participates in job-embedded professional development where they collaboratively share in best research-supported practices.

OUR VISION STATEMENT

Students and staff at Olympic View are encouraged to take risks in order to push their thinking forward. We believe that each and every student can achieve at high levels. We believe in fostering an environment where students develop

a sense of ownership to excel in their learning. We believe in the importance of providing specific feedback to students to meet their individual needs.

As staff members, we focus our units of study revolving around professional learning communities and the following four questions:

- ◆ What is it we want students to learn?
- ◆ How will we know when they have learned it?
- ◆ How will we respond when they don't learn it?
- ◆ What if they already know it?

These questions support our school district's goals surrounding curriculum and instruction and assessment practices. We believe in knowing every child by every need and using our pyramid of interventions to support student learning. Our teachers engage in professional reading throughout the year, share what works best for our students, and have in-depth discussions with their colleagues in order to push their own thinking forward. Our unwavering commitment and dedication to teaching and moving student achievement forward is our focus as a staff. We take pride in our professional development and believe that this is an integral part of why our students achieve at high levels of learning. We believe as a staff that every child is an honored child at Olympic View Middle School. We are a school that opens its doors to community members, outside organizations, and other schools wanting to see committed professionals striving to do what is best for every student.

STANDARDIZED TEST RESULTS

WASHINGTON STATE STANDARDIZED ASSESSMENTS:

Students in the state of Washington are given a number of different tests to determine their progress in school. The Smarter Balanced Assessment (SBA), which became the state assessment in 2015, measures student achievement toward the Common Core State Standards in English/language arts and in math. The SBA tests in those two subject areas are given in the spring to all 3rd through 8th grade students. Those tests replaced math, reading, and writing assessments called the Measurements of Student Progress (MSP). An MSP test in science is still administered in 5th and 8th grades. The scores below indicate the percentage of students who met the state standard in these assessments.

SIXTH GRADE

	MATH			ENGLISH/LANGUAGE ARTS		
	<u>15-16</u>	<u>16-17</u>	<u>17-18</u>	<u>15-16</u>	<u>16-17</u>	<u>17-18</u>

PARENT SURVEY

An education reform bill passed by the Washington State Legislature requires that schools seek feedback from parents and summarize the response in their annual Performance Reports. The Mukilteo School District has conducted a survey of parents in each of the past 20 years.

The survey conducted in the spring of 2018 had a total of 2,715 respondents, which represents a return rate of about 20 percent. The survey found that about 77 percent of parents feel welcome at their child's school and 72 percent feel staff members are responsive to their requests for information or assistance. District-wide, about 74 percent of parents have a positive impression about the quality of education at their child's school.

The survey also found that parents generally feel well informed about what is going on in their child's school and that parents feel school buildings and grounds appear clean and well maintained. The vast majority of parents report that their child feels safe at school and that staff members respect and appreciate diversity.

At Olympic View, about 79 percent of parents said they feel welcome at school and 75 percent said they have a positive impression about the quality of education at the school. Another 19 percent were either neutral on the subject or had no opinion.

A more detailed report of the survey findings can be found on the school district's Internet site at www.mukilteo.wednet.edu or by calling 425-356-1215.

IMPORTANT NOTES:

This publication contains much of the information that both state and federal law requires to be reported to parents. To learn more information about how your child's school did on state assessments, go to reportcard.ospi.k12.wa.us The Report Card contains information about test results and other statistics about the school. To find results for Mukilteo School District, use the drop-down menu in the box at the top under "Select Organization Type" and choose "school." To find results for your child's school, under "Select Organization" scroll down until you see "Mukilteo School District" with the name of your child's school.

If you do not have access to the Internet, you can get a printed version of your school's report card by contacting your school. A printed version of the school district's Report Card can be requested by calling 425-356-1215.

STUDENT ACHIEVEMENT FUNDS: Washington voters approved an Initiative in 2000 to dedicate funding that would help assure that students meet the learning requirements set forth in the state's education reform program. The Initiative encouraged school districts to work in partnership with their communities to determine how those resources could be used most effectively.

The amount of Student Achievement Funds made available to schools was greatly reduced beginning in 2009 and finally suspended entirely for the 2010-11 school year. The state legislature also suspended all Student Achievement Funds in all budgets that have followed.

PLEASE NOTE: Certificated staff members are present at their respective schools before and after the school day, consistent with their contractual hours and workday requirements.
