A software program called Renaissance Place is being used at Mukilteo Elementary School. This program has a special feature called Renaissance Home Connect, which you can access outside of school from any computer with an internet connection and a compatible browser.

Renaissance Home Connect is fun and easy to use.

It allows the teacher and parents to share information about your child's Accelerated Reader (AR) progress.

For a list of compatible browsers, type the following URL in any browser:

<http://support.renlearn.com/techkb/techkb/10624292e.asp>

To log in to Renaissance Home Connect:

<https://Hosted353.renlearn.com/295712/HomeConnect>

Your child will need to enter his/her login username and password.

If you would like to receive emails showing your student's quiz or test results, click the Email Setup link in Renaissance Home Connect and follow the direction. To be sure these emails reach your inbox, add homeconnectautodelivery@renlearnrp.com to your address book.

Happy Reading!
